This year, Garden Spot Village will provide more than \$1.3 million in benevolent care.

“We are also very excited to offer our golfers a chance to play on one of only three Nicklaus-designed courses in the state,” Dodge said.

Part of the Talamore family of clubs, Applecross Country Club is a private course that offers classic Nicklaus challenges while remaining playable for golfers of all abilities. Approximately 20 miles east of New Holland, the course offers views of lakes and rolling countryside. As an alternative to playing golf, this year's event offers participants the option to register for a 3.5-hour golf clinic.
